# **CIRCUS STUDIOS IS A PRODUCTION HUB DEDICATED TO EXECUTING SUSTAINABLE, DYNAMIC, AND HIGH-QUALITY PROJECTS BOTH IN-STUDIO AND ON-LOCATION.**

Circus Studios was established in 2009, introducing a new perspective to photography in Milan's industrial heart. It offers a range of services that can be utilized individually or in combination to effortlessly create distinguished and unique projects of any type. Circus supports productions at every step and in any field of their needs, thanks to its productive capability.

## PRODUCTION

The core of our operations, expertly managing the entire production process for a diverse range of projects, including photo and video shooting, and events. We take pride in delivering outstanding results, largely due to the comprehensive services available in-house.

## EQUIPMENT

Circus provides cutting-edge equipment and a comprehensive fleet. Prioritizing sustainability while maintaining top efficiency, all vehicles, including luxurious Land Rover Defenders, are exclusively electric or hybrid.

## SET DESIGN

From research and conceptualization to set construction, Circus's set design department offers expert advice and guidance. With an in-house lab, it supplies unique props and custom constructions, ensuring precise realization of clients' visions.

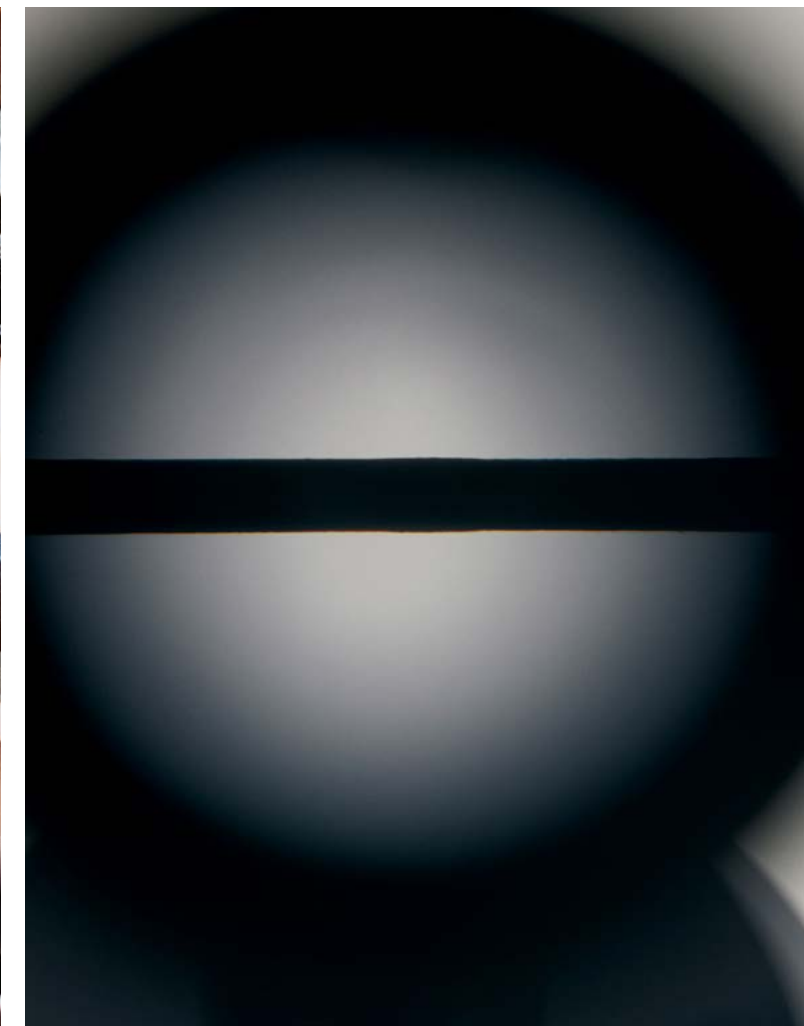

## POST PRODUCTION

The post production department is in charge of shaping up the project to the final result. It takes care of the post-production by planning, editing and delivering contents from high-end beauty to high-volume commercial imagery.

## FOOD LAB

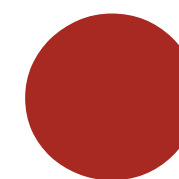

The culinary team excels in authentic Italian cuisine, offering options for vegetarian, vegan, and gluten-free diets. The Food Lab provides personalized menu planning and catering services to accommodate specific needs both in-house and out.

## PHOTOLAB

AgX Photolab is a highly specialized analog film and photography printing studio. Committed to providing top-notch photographic services it offers a comprehensive array of analog and digital processes.

**THE CIRCUS  
HAS COME  
TO ROME.**

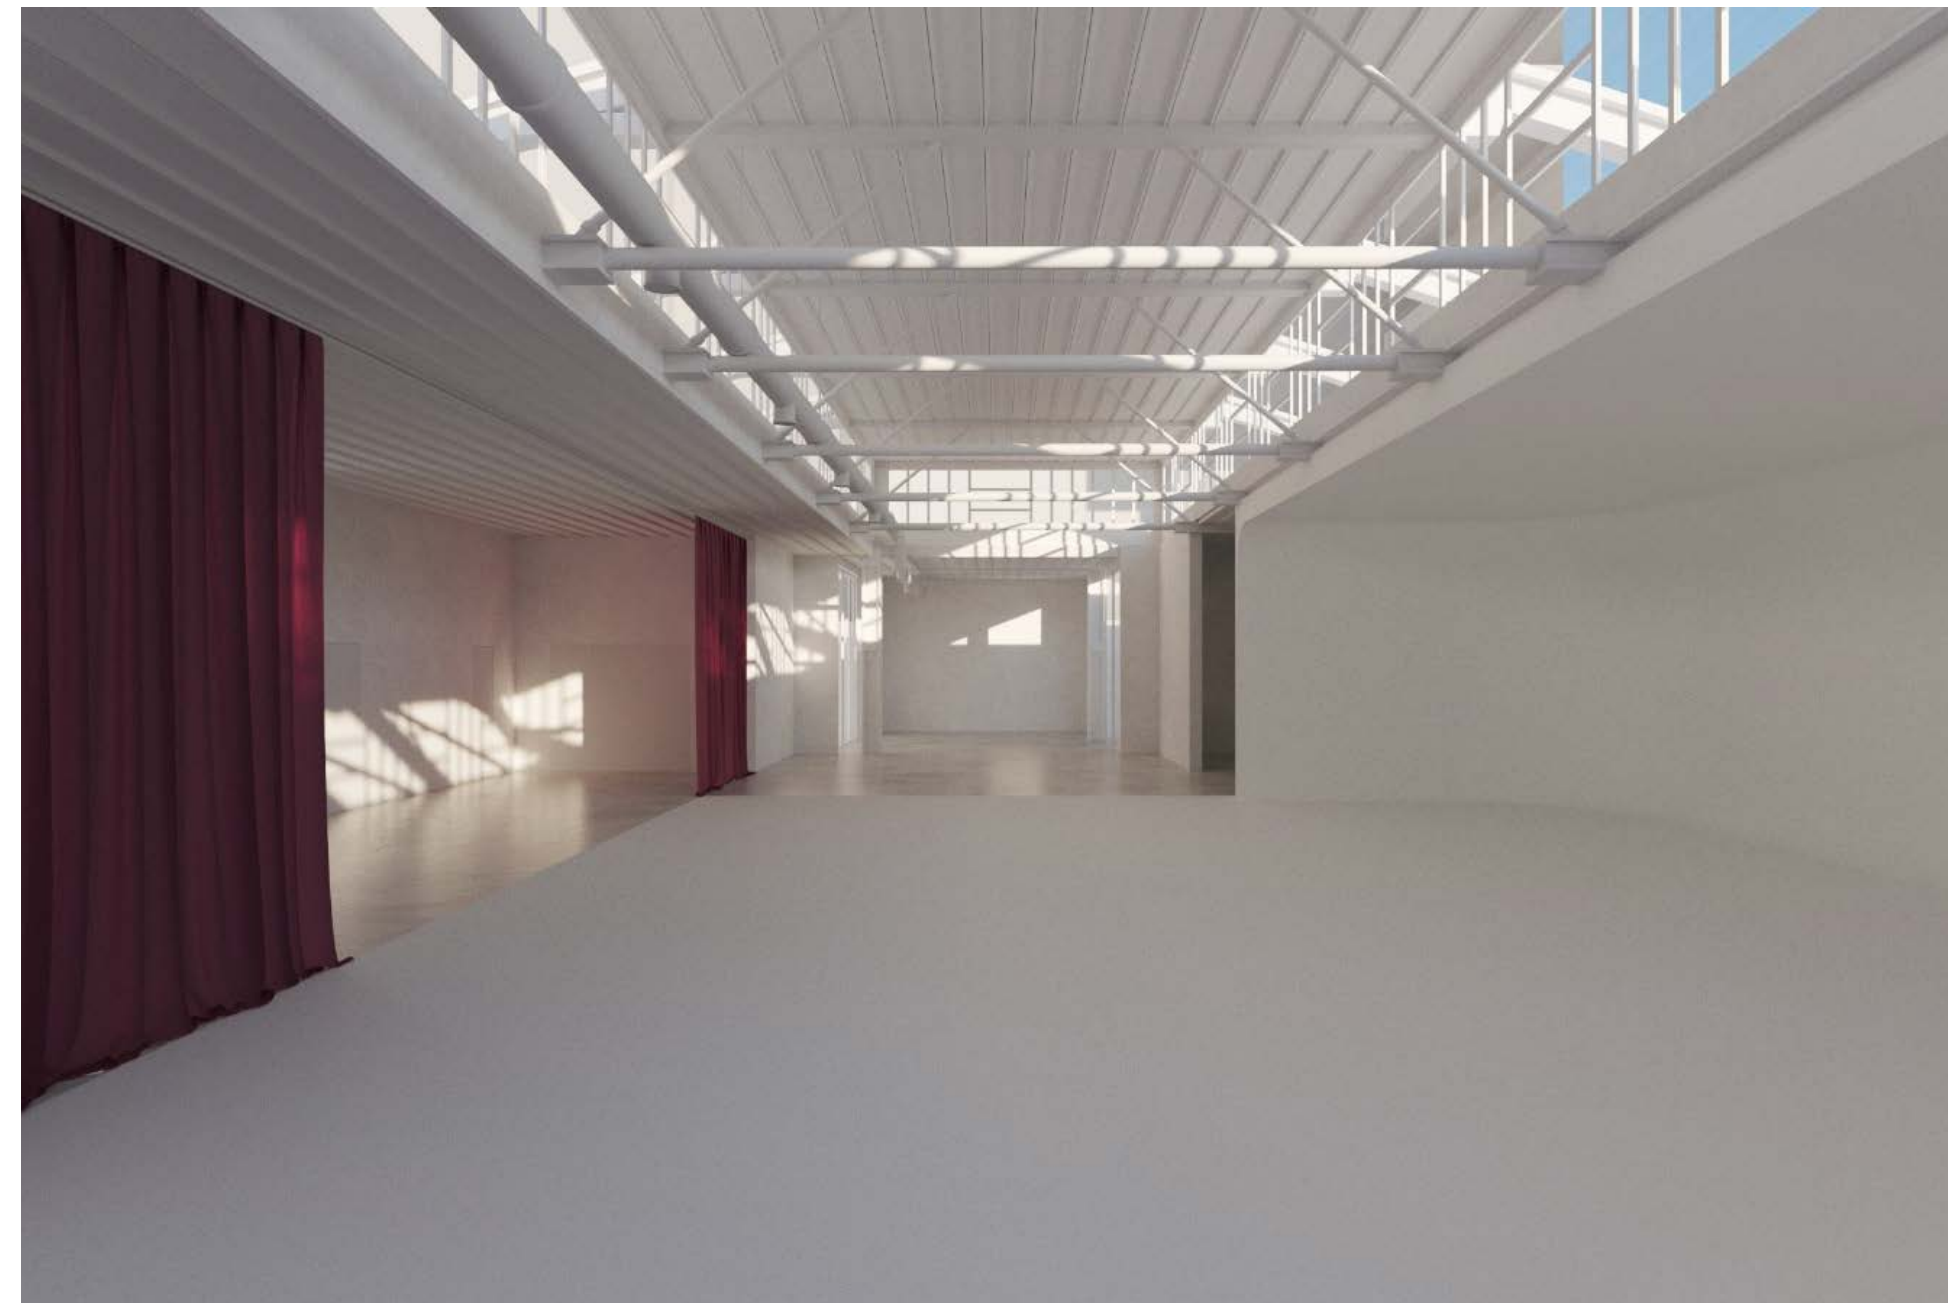

**CIRCUS OPENS TWO NEW PRODUCTION HUBS IN ROME, DRIVEN BY A BOLD VISION TO SUPPORT CREATIVITY WITH CUTTING-EDGE EQUIPMENT, TECHNICAL EXPERTISE AND INDUSTRY-LEADING KNOWLEDGE.**

Despite its rich cultural heritage and vibrant artistic scene, Rome lacks the facilities and services that Circus offers. This vision embodies the courage to push boundaries with deep industry knowledge and pioneer innovation.

**PIAZZA BAINSIZZA 13, 00195**

**VIA LIBETTA 6, 00154**

Milan and Rome serve to optimize logistical efficiency and on-site resources by reducing travel distances and adopting a sustainable approach. With hubs in these cities, Circus can cover the entirety of Italian territory, with Milan serving the north, Rome covering central Italy, and overseeing the south and islands.

These new hubs are instrumental in optimizing Circus's capabilities, ensuring smooth and efficient operations nationwide.

Located in the heart of Rome's Prati district, our hub is situated within the historic ex-Rimessa Vittoria, formerly an Atac depot. This unique space blends urban renewal with industrial archaeology, transforming a once-abandoned site into a dynamic center for creativity. With 375 sqm indoors and 500 sqm outdoors, the hub at Piazza Bainsizza offers ample room for both internal and external productions.

# ONE HUB THREE FUNCTIONS

- 01 EQUIPMENT RENTAL
- 02 EQ + BASE CAMP
- 03 EQ + SHOOTING LOCATION

The Circus hub serves a triple function, primarily operating as an equipment depot stocked with the latest and most advanced tools necessary for productions. However, its versatile design allows for the seamless integration of additional services, providing clients with flexibility and convenience.

# 01 EQUIPMENT RENTAL

The in-house warehouse is stocked with cutting-edge light, digital, and grip equipment. Our inventory includes cutting-edge tools from industry-leading brands.

The dedicated team of experts is committed to providing personalized consultation services, assisting clients in selecting the right tools for their productions. All equipment is meticulously maintained to the highest industry standards, ensuring reliability and optimal performance.

# 01 + 02 BASE CAMP

Thanks to its central position, this space is a perfect location that can be customized to serve as a base camp for productions in external locations. Equipped with a comprehensive and cutting-edge equipment depot, it offers all the resources needed for seamless operations. This includes amenities and support services to assist with the logistical needs of on-location shoots, ensuring efficiency and convenience for production crews. Right in front of the hub, there's a dedicated and guarded private parking area, along with the capability for heavy vehicle access.

# 01 + 03 SHOOTING LOCATION

Sunlit interiors with natural daylight through expansive windows create a warm, vibrant atmosphere. With flexible light control and iconic industrial walls, this space accommodates all productions. The 500 sqm outdoor space is exposed to full sunlight from sunrise to sunset; with no buildings casting shadows, there's ample opportunity for customization and setup of the courtyard, making it ideal for outdoor shoots.

# CIRCUS OFFERS A VARIETY OF SUSTAINABLE VEHICLES TAILORED TO INDIVIDUAL NEEDS.

Circus's fleet, featuring luxurious Land Rover Defenders, is committed to sustainability while maximizing efficiency, exclusively providing electric or hybrid options for eco-conscious transportation. From equipment transportation to technical assistance, Circus ensures a comfortable ride for all creative expeditions.
